

Uplift Vineyard is a celebration of a one-of-a-kind terroir in the Llano Uplift formation, an ancient low geologic dome over a billion years old, eroded to reveal its core. The Llano Uplift is one of the greatest repositories of rare earth minerals found in the U.S. and we have the pleasure of crafting wine that allows for the land to speak for itself through the highest quality Estate fruit and an old-world style of winemaking.

Elevation

860 - 880 feet

The Land

Our 55 planted acres are within the Hoover's Valley, which runs through the Llano Uplift formation in the Texas Hill Country AVA.

Uplift Soils

Situated near the banks of the Colorado River, the alluvial soils along with the significant mineral deposits, make this a truly unique growing environment. Uplift itself has four distinct soil types, with each planted variety chosen for its suitability to the ground in which it resides.

Sand | Granite | Sandy loam | Clay

2024 GRENACHE

The Vineyard & Grapes

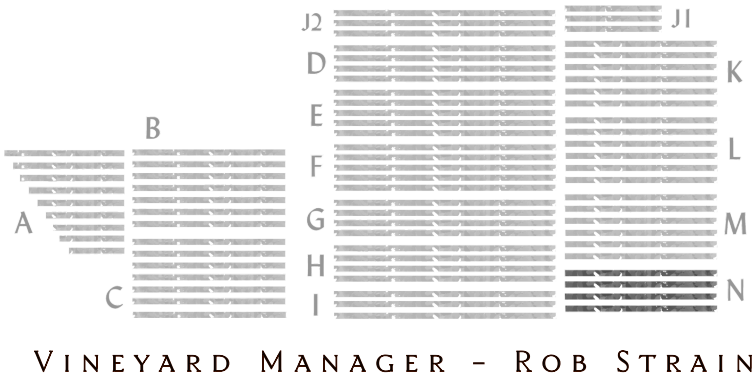

Grenache Block: N

Est: 2017

Soil: Sand

Clone: Lewis (NC)

Rootstock: 1103P

Vintage Notes Ample winter rains fueled a vigorous growing season, while mild temperatures through July extended hang times, enhancing phenolic ripeness for near-perfect fruit.

Assemblage 97% Grenache, 3% Merlot

Maturation Fermented in steel tank. Aged in 40% new French and E. European oak barrels for 10 months.

ABV: 13.6% | pH: 3.78 | TA: 4.80 g/L | RS: 0.29 g/L

Food Pairing Pair with Mojo pork and fried sweet plantains.

“The palate is soft and lifted, with fine tannins, and a bright thread of acidity that carries through to a clean, savory finish.”

- Claire Richardson, Winemaker

Chill to 60°F
