

Uplift Vineyard is a celebration of a one-of-a-kind terroir in the Llano Uplift formation, an ancient low geologic dome over a billion years old, eroded to reveal its core. The Llano Uplift is one of the greatest repositories of rare earth minerals found in the U.S. and we have the pleasure of crafting wine that allows for the land to speak for itself through the highest quality Estate fruit and an old-world style of winemaking.

Elevation

860 - 880 feet

The Land

Our 55 planted acres are within the Hoover's Valley, which runs through the Llano Uplift formation in the Texas Hill Country AVA.

Uplift Soils

Situated near the banks of the Colorado River, the alluvial soils along with the significant mineral deposits, make this a truly unique growing environment. Uplift itself has four distinct soil types, with each planted variety chosen for its suitability to the ground in which it resides.

Sand | Granite | Sandy loam | Clay

2024 MALBEC

The Vineyard & Grapes

Malbec Block: D

Est: 2015

Soil: Sandy loam & Clay

Clone: France Cot 180

Rootstock: 5BB

Vintage Notes Ample winter rains fueled a vigorous growing season, while mild temperatures through July extended hang times, enhancing phenolic ripeness for near-perfect fruit.

Assemblage 76% Malbec, 10% Cabernet Sauvignon, 8% Merlot, 3% Petite Sirah, 3% Montepulciano

Maturation Fermented in large oak fermenter. Aged 16 months in French oak barrels, 30% new.

ABV: 13.8% | pH: 3.78 | TA: 6.06 g/L | RS: 0.57 g/L

Food Pairing Persian spiced kebabs and roasted eggplant

“A true fan favorite and one of the most consistent performers in our vineyard, Malbec shines in our site’s conditions. Layers of dark fruit, subtle spice, and savory undertones unfold, keeping the wine both luscious and lively. Endlessly versatile at the table and just as compelling on its own.” - Claire Richardson, Winemaker
